

### KILL FEE

A kill fee will be charged in the amount of \$500 for any deer taken that does not meet the minimum requirement of 130".

### WOUNDING ANIMALS

If an animal is wounded while hunting and tracking has been unsuccessful within a reasonable amount of time, you are to notify one of the guides immediately so a search can be implemented.

### ARRIVAL & DEPARTURE

Hunters will be allowed to arrive at 10:00 am on the date their hunt is scheduled to begin. Upon arrival a brief orientation will be given to each group covering rules and regulations, licensure, and safety. Each hunter will sign a waiver of liability and complete registration forms for the IDNR. After a brief tour of the facility each group will be assigned quarters and be allow to unload. As soon as your group is unloaded, one of our guides will show you a map of the area you will hunt and discuss ideal locations for you to hunt. Our goal is to have our hunters in the woods by mid-afternoon on their arrival day. If you arrive earlier than your scheduled arrival day, you will be charged an additional \$60.00 for room and board.

Hunting will not be allowed before your scheduled arrival date. Our properties are on a rotation schedule to allow a resting period for both the game and the property.

Hunters must depart by 10:00 am on the last day of their scheduled hunt. This allows for a smooth transition from one week to the next and lets us better prepare for the next group's arrival.
